November/December 2022 Prayer Letter

Dear Friends and Supporters,

We want to begin by wishing all of you a very Merry Christmas and a Happy New Year! May the blessings of this time of year be upon all of you, your families, and your churches. May God continue to bless you as you support this ministry both in prayers and in finances.

The Bible says in Ephesians 4:20, "Now unto him that is able to do exceeding abundantly above all that we ask or think." We have certainly seen God do exceeding abundantly above all that we could ask or think over these last two months.

In November the 25,000 John & Romans arrived. We have a lot of work ahead of us as we prepare the John & Romans packets for distribution. We are eagerly awaiting when we will place these on each door in our part of Riverside in the month of March. We have many churches and individuals committed to helping us.

A few weeks ago, I received a call from a Pastor informing me that his church has committed to paying our first three months' rent at the Hampton Inn. This is such a huge answer to prayer and a great burden lifted from our shoulders. God is so good to meet the needs that we have, and to do it in ways we never could have anticipated.

In January we will begin our "Hope" campaign. Our goal is to saturate the community with the gospel through postcards, signage, and other forms of outreach. Lord willing, many people will be impacted by the outreach and we will see fruit that remains.

We had the privilege of going caroling in our neighborhood this Christmas season. We were warmly received by everyone we visited. We baked Christmas cookies for each door we visited and left Christmas gospel tracts with each family we sang to. One of our neighbors, Alfonso, was especially thankful for us singing to him. We pray that this is an open door for us to build a relationship with him and to see him saved.

We saw God move in some incredible ways this past year and we look forward to an even bigger 2023 as we open the doors of Revival Baptist Church on April 2, 2023!

PRAYER REQUESTS:

- God to grant us boldness as we witness in our community
- The "Hope" campaign to bear fruit in the coming months
- Preparing the John & Romans packets for distribution
- Our current support level is at 83%
